INVITATION

NEMO - New Mobility Design Conference

Designing Future Mobility as Part of an International Building Exhibition: IBA 2027 meets NEMO

How will we move within cities and regions in the future? The design of user and environmentally friendly mobility presents many opportunities for the creative industries. International experts from both the design and mobility industries will discuss possible solutions, e.g. **Alexander Mankowsky**, Head of Future Studies and Ideation at Daimler AG and **Roxy Guellmeister**, Architect at Foster + Partners.

Tuesday, 27 November 2018, 9:00-16:00

Representation of the State of Baden-Württemberg to the European Union,
Rue Belliard 60-62, Brussels
